Dear Friends of *Voices*:

Welcome to *Voices* 30th anniversary season. We hope you will enjoy the performance as much as we have enjoyed preparing it for you.

The beauty and power of classical choral music has touched the hearts and ignited the imagination of generations of people around the world for hundreds of years. Few can deny the healing properties of choral music in times of difficulty or the uplifting joy it can bring in times of celebration. It is the wish of *Voices* Choir to carry on this tradition, but to do so we need your help.

It is hard to avoid the daily news reports about the continuous financial troubles both at home and abroad. Unfortunately, this is not a new situation for arts organizations in Canada because support for the arts has continued to dwindle over the years. It is for this reason that I am asking Friends of *Voices* to consider making a generous, tax deductible donation to *Voices* so that we may continue to provide the high quality choral music that you and the community have come to expect.

Please consider making a special donation to our choir. As always, a charitable donation receipt will be issued for each donation over $10.00. Your support will be greatly appreciated. All donations will be acknowledged in our season finale program.

Thank you for your continued support and I look forward to seeing you at our future concerts.
